### OPTIONAL

I hereby consent to recording EurOpen 2020 Online debates for **further educational use** to be made available by the Debating Society Germany e.V. as part of their activities as listed in §2 of the society's [charter \(in German\)](#):

*Promotion of those who are gifted and interested in debating; this is not just about debating in English, but also debating conducted in German; the association would like to make a contribution to the education of the citizens:*

- Promotion of international understanding for debating, the association especially encourages people in Germany and within Europe to debate
- Promotion of the cultivated exchange of views; thus the association would like to contribute to achieve international understanding
- Promotion of tolerance towards those who think differently
- Preservation and maintenance of the German and English language.

All individuals attending a debate room on Zoom, including observers, will be identified and approved by EurOpen 2020 OrgComm and/or CAP.

Der gemeinnützige Verein **Debating Society Germany e.V.** wurde 1996 als bundesweiter Dachverband gegründet.

*The non-profit registered club Debating Society Germany e.V. was founded in 1996 as the national umbrella organisation.*
